NITAAC REIMAGINING ACQUISITIONS | **ASSISTED** ACQUISITIONS

Acquisition staff on leave?
Need DITAP Certification?
# Not enough Contracting Officers?

Nobody does federal IT Assisted Acquisitions quite like NITAAC.

IT procurement can be a challenging process, especially when you're short on help. NITAAC Assisted Acquisitions has expert IT Contracting Officers (COs) and Subject Matter Experts (SMEs) to guide you, and award and administer your task/delivery orders. All of our COs are FAC-C, Level III, and already have their mandatory Digital Services (DS) certifications, now required for purchases above the simplified acquisition threshold that consist mostly of Digital Services.

Call NITAAC or visit us on the web before your next procurement.

The NITAAC Difference

Quality

NITAAC Contract Holders have gone through a rigorous source selection process prior to award, ensuring the pool of contractors are the best-of-the-best. No matter which NITAAC GWAC we recommend, you'll save a significant amount of time, money and resources.

Speed

With a $20 billion ceiling per Contract Holder, flexible contract types and the ability the ability to award quickly, NITAAC offers streamlined ordering and processing. NITAAC COs are experts in using innovative techniques such as oral presentations, multiphase downselects, comparative analysis and many other flexibilities of FAR 16.5, all designed to shorten Procurement Acquisition Lead Times (PALTs).

Value

NITAAC Assisted Acquisitions Services will recommend one of our own GWACs when it's time to place your order. Rest assured our rates/prices are low at the master contract level, and may go even lower as sellers compete for your order.

Ease

Our FAC-C, Level III, COs are now also Digital Services (DS) certified for transactions over $7.5 Million consisting mostly of information services. NITAAC COs take care of everything from marketing intel and stakeholder analysis to contract awards and close-out.
