**Create a Consolidate Pr**

Note: Please answer the following to ensure proper creation of RFQ.

Yes  No [Small Business Set-aside D](#)

**\* What Product Category does your purchase belong to?**

LOT1 - Commercial hardware, software, and networking equipment. [Details >>](#) [LOT1 Prime Contractors](#)

LOT2 - Commercial Telecommunications Equipment [Details >>](#) [LOT2 Prime Contractors](#)

LOT3 - Scientific Research Workstations and Other Electronic Equipment [Details >>](#) [LOT3 Prime Contractors](#)

LOT4 - Software (Including Operating Systems) [Details >>](#) [LOT4 Prime Contractors](#)

LOT5 - Warranty and Maintenance Services [Details >>](#) [LOT5 Prime Contractors](#)

LOT6 - Services [Details >>](#) [LOT6 Prime Contractors](#)

**\* Enter a Title for your requirement:** (For eg. Laptops and Desktop PCs ...)

**\* Describe in detail your requirements:**

\*\* Provide detailed specifications in the space below for your requirements OR attach a file that contains the specifications. Please see instructions below.  
You have typed 0 characters. Max. length allowed: 8000

(5 files max. File types: MS Word, MS Excel, PDF)

Document Name	Document Type	Uploaded Date	Comments	Delete

**LOT1: Commercial hardware, software, and networking equipment**

- **Desktop Computers**
- **Laptop Computers**
- **Handheld Computing Devices, including peripherals** - Peripherals are anything directly attached to Desktop and Laptop computers such as a printer, monitor or keyboard. Other examples include a projector that displays output from a computer on a screen or a digital camera that allows downloads to a computer.
- **Workstations** - Workstations are defined as computers designed for multiple concurrent users. Servers and server ancillary equipment such as server racks and server cabling also belong here.
- **Software** - This normally entails software that is bundled / packaged with other items such as warranty, maintenance support, or installation for a single price. However, stand-alone software products will also be accepted here.
- **Networking Equipment** - This includes Routers, switches, firewalls, and Network Storage devices, network racks and other network associated ancillary equipment. Internet Protocol (IP) Telephony may also be placed in this LOT or LOT2.

## Upload specification details

\* Period of Performance?  (Select number of months)

Enter Line Items:

Line Item #	Item Description	Initial Quantity	Not to Exceed Quantity	
1	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
2	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
3	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

To add more line items, simply enter the number in the box below and click on "Add more Items" button

Enter item(s) and not to exceed quantity.  
All CPs shall have an initial quantity (initial quantity reflects immediate need)

Will a brand name justification be used for this purchase? [More Options and Details](#)  Yes  No

Enter justification FAR 5.102(a)(6)

Is the purchase an Exception to Fair Opportunity? [Exception Details](#)  Yes  No

Enter exception details FAR 16.505(b)(2)

How many days would you like the RFQ to remain open? (RFQ will close at midnight Eastern time US of selected date)

Select the number of days:  (Default is 3 business days)

or

Select a date of your choice from the calendar  (Default is 3 business days)

What time would you like to close the RFQ on the date as selected above?  (Eastern Time US)

How many days after vendor receives purchase order is delivery expected?  day(s)
