How to register for e-GOS (it's easy!)

01

Click the LOGIN button.

It's on the NITAAC homepage (nitaac.nih.gov) in the upper right quadrant as well as most other pages on the site.

e-GOS LOGIN

02

Register for e-GOS.

▸ **New Non-NIH Users:** Choose New User and enter your government email. Do not check the box that says, "Yes, I am an employee of NIH." Click register and, on the next screen, enter your info, choose a password and click continue. You'll return to the original screen where you login as an Existing User.

....

▸ **New NIH Users:** Check the box that says, "Yes, I am an NIH Employee." The titles change and ask for your NIH login and password. Enter the combination you use on a daily basis (last name followed by first and middle initials e.g., HarrisPA). Click register and the next screen will automatically populate with info from NED. Simply verify and the original screen returns, where you login as an Existing User.

03

Choose your contract and go!

Choose the vehicle you prefer, CIO-SP3, CIO-SP3 Small Business, CIO-CS, or NITAAC-GSS (Government Wide Strategic Solutions), and follow the instructions to complete your requirements for everything IT.

Any Questions? Contact the NITAAC Support Center.
